

## Background Checks

MinistrySafe provides best-in-class Background Checks designed to report all information permitted by state and federal law to equip you to make informed staffing decisions.

### BACKGROUND CHECK FLEXIBILITY

There is no 'one size fits all' Background Check; Background Checks should be tailored to the position filled by any potential applicant, whether employee or volunteer. MinistrySafe Background Checks allow you to tailor your search needs using pre-created searches (see below) or customized packages.

### BACKGROUND CHECK WITHIN A SYSTEM

Background Checks are KEY, but not a 'silver bullet' or stand-alone Safety System. Appropriate Background Checks fit within the MinistrySafe 5-Part Safety System, including Sexual Abuse Awareness Training, Skillful Screening Processes and Training, Tailored Policies & Procedures and Monitoring and Oversight.
